Evaluation & Status Requirements

Age: All dogs must be at least 10 weeks old at the time of their evaluation/consultation.

Spay/Neuter Status: All dogs in our facility over the age of six (6) months must be spayed or neutered.

Vaccines & Veterinarian Status: The owner must provide up to date copies of their dog's vaccine records showing that Rabies, Distemper, and Bordetella vaccines are current. Rabies is not required for dogs under the age of 16 weeks. The Canine Influenza vaccine is recommended, but not required. Dogs who are vaccinated for Bordetella, must be vaccinated at least 48 hours prior to participating in daycare or boarding. The Bordetella vaccine does not protect against other upper respiratory infections. Please consult with your vet for information on these illnesses. We require all dogs be in good standing with their vet, and be in good health, in order to attend daycare. All updated vaccines and relevant health information should be emailed or faxed to The Board Hound as this information is updated.

Health: For the health and safety of all the dogs in our facility, we ask that you do not bring your dog to our facility if s(he) is showing any signs of illness including, but not limited to, cough, vomiting, diarrhea, and/

or fatigue. If your dog begins showing symptoms of illness after drop-off, they may be isolated at The Board Hound's discretion, in these cases you will be called to come pick up your dog. In addition, for the safety of all our dogs and staff, we require your dog's nails be appropriately trimmed. The Board Hound reserves the right to provide nail trims and charge the account for the cost of the service.

Evaluation & Enrollment Status: An initial evaluation or consultation and at least 4 hours of daycare participation is required prior to being enrolled into daycare or boarding. The requirement is free of charge and must be completed prior to scheduling his or her first boarding stay. Furthermore, each dog must attend daycare or boarding with The Board Hound at least once every 6 months in order to maintain their active status as daycare and boarding participants. Participation in a scheduled full or half day of daycare at either location (Shirlington or Old Town) will be required in order to make a boarding reservation if it has been more than 6 months since the dogs' last visit and will be subject to the daycare rate.

Continuing Evaluation: All dogs are continuously evaluated while participating in daycare and boarding activities. Behavioral changes are monitored and may result in your dog's removal from group play, temporarily or permanently, as we see fit. Any behavioral concerns will be addressed with the dog's owner(s).

Operational Information & Action Items

Daycare & Boarding Reservations: Reservations are required in advance for all daycare and boarding stays, 7 days a week. All daycare and boarding reservations must be made in advance via email to reservations@theboardhound.com. We are able to make daycare and boarding reservations up until the day of service so long as space allows. All reservations are made on a first-come, first-serve basis until we have reached capacity for any date. Unlimited Monthly Daycare Package holders will have automatic standing daycare reservations all days that we are open for daycare for the duration of the package. All standard daycare package users may schedule daycare for their dog at any time or may opt for standing reservations, if requested. Non-package holders can make daycare reservations up to 7 days in advance. Reservations for boarding can be made at any time. Daycare and boarding availability are updated on our webpage in real time. Please visit <https://theboardhound.com/reservations> to view this availability.

Daycare Reservation Cancellation Policy: You must cancel all daycare reservations by 5 pm the day before the date of the scheduled service. Any daycare reservations cancelled after 5 pm will be subject to a \$27 late cancellation fee. If you are an Unlimited Daycare Package holder, the daycare cancellation policy does not apply.

Boarding Reservation Cancellation Policy: There is no penalty for canceling non-holiday boarding reservations (See holiday information regarding cancellation policy for holiday reservations).

Collars: For the dogs' safety, all dogs will be provided with a quick release collar while in our facility.

Food: We recommend bringing your dog's own food while boarding with us. It is required when providing your dog's own food that each meal be individually packaged, per dog, and please label each bag with the dog's name. A bagging fee of \$2 per meal will be added if meals are not individually packaged. Treats are welcome, but please do not provide treats that pose a choking hazard (i.e. rawhide, etc.). Treats can be included with the meal or bagged separately as a snack. If you choose not to provide food for your dog, house food will be provided at \$2 per meal.

Bedding & Belongings: Each boarding suite contains an elevated cot, and The Board Hound will provide bedding to boarding dogs upon request. It is encouraged to take advantage of this complimentary service, but if you plan to bring belongings, please limit these belongings to one (1) small blanket/towel, and one (1) chew toy/bone per dog. For safety reasons, we will not accept plush toys, dog beds, or comforters. We also have a limited amount of space to store belongings so we will also not accept multiple toys, large/bulky bedding, or food & water bowls. For all holidays and holiday weekends (see holiday schedule) we will not accept any belongings for boarding unless prior approval has been obtained.

Inclement Weather Policy: In the event of inclement weather, our hours of operation will be from 9 am to 7 pm at both locations. For late opening, notification will be provided at <https://theboardhound.com> by 5:30 am EST. If inclement weather develops, or is predicted to occur, notification of early closure will be provided at <https://theboardhound.com> by 12 pm EST. In extreme circumstances, daycare operations may be limited. In all cases, there will be manager on site from 6:30 am to 8 pm, and an overnight attendant on site from 8 pm to 6:30 am, at minimum. If you need to pick-up/drop-off your dog before 9 am or after 7 pm on these days, early drop-off and late pick-up fees may apply for daycare and boarding.

RoofTop Play (Shirlington) & Outdoor Play (Old Town): RoofTop Play/Outdoor Play at The Board Hound is a privilege for dogs that are appropriate during all aspects of RoofTop Play/Outdoor Play, and only if they enjoy participating in RoofTop Play/Outdoor Play. If at any point your dog starts to display inappropriate behaviors while participating in RoofTop Play/Outdoor Play, they will be removed immediately. Furthermore, for safety reasons, if your dog is less than 10 lbs., young in age, senior in age, and/or brachycephalic, they may not be considered for participation in RoofTop Play/Outdoor Play. The Board Hound reserves the right to determine whether your dog is appropriate for RoofTop Play/Outdoor Play. Considering factors include: preexisting

injuries, arousal levels, age, weight, breed, and external conditions such as weather. These factors can change on a day-to-day basis, but we will always prioritize safety. RoofTop Play/Outdoor Play may be operated on a seasonal basis. Weather conditions can affect the operational status of RoofTop Play/Outdoor Play at any time.

Rest Time: A mandatory rest time for dogs during daycare hours is not widely enforced. However, please understand that we will provide rest time to any dog, daycare or boarding, for which rest is necessary. This is for the safety and health of your dog and all the dogs in our care.

Boarding Drop-off hours: It is required that your dog be dropped off between 6:30am and 6:30pm, Monday through Friday, for boarding, unless other arrangements have been made in advance. This applies to drop off at both our Shirlington and Old Town (if transport is requested/scheduled) locations. Weekend and holiday hours are 9am-7pm for boarding drop-off.

Overnight hours: During the overnight hours, an overnight staff is always present. However, they are not permitted to take in dogs, release dogs, or unlock the building for any reason. This is for safety and security reasons. Please do not attempt to pick up or drop off your dog during the overnight hours.
